# ABOUT US

*Originating in 1993, Hoang Hai Co., Ltd was just a family shop specializing in making floor tiles and mainly produced on a small scale. In the very first years of the early 1990s, the international integration has become a business trend, Hoang Hai Company has initially taken the opportunity and strived to become **one of the most professional cementtiles factories in Southern Vietnam at that time.***

*Up to now, with nearly 30 years of experience, Hoang Hai still continues on keeping and promoting the traditional value and art of the Vietnamese tiles industry through each tiles that we create. Our entire products **are handcrafted with natural ingredients, unburnt and also do not use any harmful chemicals** that could lead to environmental pollution. The tiles in use is completely friendly, aesthetic, luxurious and durable with the criteria of **ONE TILE – ONE LIFESPAN***
